A work study session was called to order by Mayor Weishaar at 5:30 at the Chapman City Office. Council members present were Luan Sparks, Tim Jury and Jim Murrison. Dean Hansen and Jeff Blixt were absent. Also in attendance were City Administrator Austin St. John, City Clerk Terra Hummel, Bobby Kamm, Ed Wehrmeister, Emil Halfhill, Ryan Hall and Jake Dugger with Utility Service Group.

Jake Dugger with Utility Service Group presented a slide show showing the maintenance needing to be done to our 2 standpipes. He presented a cost estimate of fixing the standpipes and getting them into a maintenance program.

The purpose of the work study was to start the process of working on the Capital Improvement Plan. Each fund of the City was reviewed and discussed. We will need to meet again either in a special meeting or another work study to complete the process.

Meeting was adjourned.
