Is Building Site Located in the Floodplain? Yes _____ No _____

Note: Building in the floodplain is subject to building requirements set and handed down by the Federal Govt. (FEMA). As a member of the National Flood Insurance Program the City of Chapman must adhere to those regulations. Flood Elevation Certificates (FEC) are required for all development located within the floodplain. Two FEC's are required.

1. Beginning Elevation (pre-construction) 2. Final Elevation (post-construction)

***All contractors must be licensed in the City of Chapman!**

There are 5 inspections that must be called for.

These are "Called Inspections", and must be conducted before the next stage of construction begins.

1. Footings (after digging & before installation)
2. Foundation (before foundation installation)
3. Concrete On-Slab (before concrete slab installation)
4. Framing (includes Framing, Electrical, Plumbing, & HVAC/Mechanical)
5. Final (before gypsum board or walls are taped and finished)

All inspections will be performed by the City of Chapman Building Inspector.
Call 785-922-6582 for all inspections and allow 8 hours notice.

***Occupancy Permits must be obtained and signed by the Building Inspector before the occupation of any dwelling.**

***Utility locates are required before any excavation or digging begins. Before Digging Call 811! All utilities will be located and marked. You should allow 5 days for all locates to be completed before digging begins.**

The City of Chapman adheres to the 2006 IBC/IRC Codes and permit is void after 6 months.

The owner and undersigned certify that they ha acquainted themselves with all the building, plumbing, sewer, electrical, gas, and zoning regulations that may effect this application, and that the work for which this permit is requested will meet all city ordinances; and that they assume all responsibility for any errors in the construction as outlined. Also all buildings or structures will be located on the legal description as stated.

Note: The building inspector may request a written description or drawing of proposed project.
