Address: _____

All inspections will be completed by the City of Chapman's Building Inspector. Please call at least 24 hours in advance for all inspections (785) 922-6582. The building inspector may request a written description or drawing of the proposed project.

Required Inspections: Framing inspections (includes framing, electrical, plumbing and mechanical). Final inspections (before sheetrock is taped and finished).

Before digging, call 811 for utility locates. All utilities must be located and marked on the property. A minimum of 5 working days is required for completion of locates before any digging or excavation is started.

The owner and the undersigned certify that they have acquainted themselves with all the building, plumbing, sewer, electrical, gas and zoning regulations that may effect this application, and that the work for which this permit is requested will meet all city ordinances, and that they assume all responsibility for any errors in the construction as outlined. All buildings or structures will be located on the property address as stated.

Signature of Applicant: _____

Signature of Building Inspector: _____

Approved

Disapproved

Permit is valid for 6 months. A \$40.00 Zoning Appeals fee will be charged if the building inspector disapproves a building permit (covers the cost of publication/notices to affected property owners).

Zoning appeals hearing date: _____
