

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

The CITY OF CHAPMAN public water system violated a drinking water standard. Even though this was not an emergency, as our customers, you have a right to know what happened and what we are doing to correct this situation.

We are required to monitor your drinking water for specific contaminants and residual disinfectant levels on a regular basis. Results of regular monitoring are an indicator of whether our drinking water meets health standards. During November 2021, we did not complete some required monitoring for coliform bacteria nor residual disinfectant level and therefore cannot be sure of the quality of our drinking water during that time.

What happened: We are routinely required to test for coliform bacteria no fewer than two times a month. Additional samples are required following a coliform-positive or rejected sample. We are required to monitor the residual disinfectant level at the same time and same point as total coliforms. A monitoring violation occurred because of failure to meet these requirements during November 2021.

What you should do and who is at risk: This is not an emergency. There is nothing you need to do at this time. There is no direct health risk to consumers.

What we are doing: Since it is our desire to provide the safest water possible to our consumers, we have taken the action of paying closer attention to our monthly sampling program and daily record keeping and are looking into alternative resources for testing or shipping, if necessary, to prevent future violations. We will call our laboratory early in the month if we have not received bottles needed for sampling. This issue has been resolved.

For more information, please contact Elizabeth Berg at 785-223-2868 or by mail at: PO Box 321, Chapman, KS 67431

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is furnished by the City of Chapman.
